SB 1383 Update

With SB 1383 becoming effective January 1, La Verne residents are now required to switch from putting food waste into their trash carts, to instead adding them to the green carts. The graphic below is a helpful tool to help remind residents of what they should put in their green cart.

ORGANIC

Fruit & Vegetable Waste

Bread & Grains

Food Waste

Floral & Yard Waste

Dairy Waste

The City has hosted many countertop pail distribution events to help residents more easily recycle food scraps and created several "Frequently Asked Questions" documents for the various sectors.

The City has conducted outreach to many of the businesses and organizations in town who will need be involved with the food donation program.

There is still a lot more work to be done for SB 1383, so watch our social media and webpage for more info. For more information, please visit:
