WILDERNESS AREA MANAGEMENT AND PUBLIC ACCESS PLAN CANDICE BOWCOCK/
BILL AGUIRRE**

In 2006, the City acquired 208 acres in north La Verne through State grant funds obtained in cooperation with the County of Los Angeles, the Trust for Public Land, and the La Verne Land Conservancy. This land was combined with 150 acres already owned by the City to create an open space preserve of 358 acres, collectively referred to as the Wilderness Area. The Wilderness Area Management and Public Access Plan limited controlled public access as part of the City’s stewardship responsibilities for the Wilderness Area. The Management Plan includes goals for specific physical improvements or management policies that would implement the vision for the Wilderness Area.

An Environmental Impact Report was prepared for this project.
